Our vision is to be a preeminent institution at the forefront of innovation, education, and research, catalyzing positive change and contributing to the well-being of humanity. Key elements include fostering Academic and Scientific excellence, building strong networks, Promoting practical, Technology-driven training, and contributing to societal well-being through Comprehensive Healthcare solutions.

• Our Mission •

The Mission Behind Education Platform Our mission is to advance Global well-being through excellence in Education, research, and innovation in the fields of Healthcare .The Integral Allied Health Science (IAHS) Committed to fostering a Collaborative and inclusive Environment, we strive to empower individuals with knowledge, skills, and ethical values essential for addressing complex Health and Scientific challenges.

• From the Chairman's Desk •

As we continue to evolve and grow, I warmly invite you to embark on this extraordinary journey with us. At Integral Allied Health Science (IAHS), we are not just imparting education but nurturing a holistic learning environment where knowledge meets values and skills meet opportunities. Our Allied Healthcare Education courses are designed to create a strong foundation for students who aspire to serve humanity with dedication and professionalism.

At IAHS, we believe in shaping futures by fostering a culture of excellence, innovation, and character development. We emphasize the importance of 21st-century skills, enabling students to become responsible citizens, compassionate caregivers, and confident leaders in their chosen fields. Each program is carefully curated to blend academic knowledge with practical exposure, ensuring that our learners are well-prepared to meet the challenges of a rapidly changing world.

This journey is not only for our students but also for parents and the community at large. We sincerely express our gratitude for their continued trust and support, which inspires us to move forward with greater determination.

DR. RAJENDRA R. PANDEY
CHAIRMAN (IAHS)

FROM THE MESSAGE REGISTRAR'S DESK

A “Message from the registrar of Integral Allied Health Science(IAHS)” refers to a statement, greeting, or official communication from the registrar’s office of an educational institution, and typically focuses on the institution’s mission, the registrar’s role, and commitments to student success, academic excellence, and efficient operations. These messages highlight the registrar’s responsibility for administrative tasks like managing student records, admissions, and academic policies, while also expressing a vision for fostering a supportive learning environment.

We have pleasure in welcoming you to Integral Allied Health Science (IAHS). The Institution is striving hard to have qualitative improvement in the level of education, environment, and economy of this region.

REGISTRAR (IAHS)
MR. S. K. TRIPATHI

FROM THE GENERAL SECRETARY DESK MESSAGE

INTEGRAL ALLIED HEALTH SCIENCE (IAHS) is a creation to impart and provide such a knowledge which is strength and power to the society with the learning of the latest developments of the world to meet the growing demand for trained Healthcare man power.

Education is the soul of the society as it passes from one generation to another and it can be acquired through simple and humble attitude with a great respect to the teachers.

We at **INTEGRAL ALLIED HEALTH SCIENCE (IAHS)** is set to take the mission of implementing new educational methodologies to enable quality learning in health sector.

It also encourages independent thinking and helps the student in developing wholesome personality so that they can contribute their best to the society and the country.

Institution is having qualified and competent teachers, good physical infrastructure, Library, and most importantly student will get opportunity for clinical learning in parent hospitals.

DR. RAVIRAJ S. PANDEY
GEN. SECRETARY (IAHS)

FROM THE SECRETARY DESK MESSAGE

As the Secretary of the **INTEGRAL ALLIED HEALTH SCIENCE (IAHS)** institute, I am delighted to connect with you. Our institution is dedicated to providing a nurturing environment where students can thrive academically and personally.

At **INTEGRAL ALLIED HEALTH SCIENCE (IAHS)**, we emphasize the importance of innovation, teamwork, and ethical responsibility in Allied Health Education. Our dedicated faculty and staff are committed to supporting your educational journey, ensuring you have access to the resources and opportunities needed to succeed.

I encourage all students to actively participate in campus activities, collaborate with peers, and seek guidance whenever needed. Together, we can create a vibrant community that fosters growth, creativity, and excellence.

DR. AMRENDRA SINGH
SECRETARY (IAHS)
